Professional Experience **Business 3.0 - Contract** (March 2017-Current)
An extended contract working across multiple Angular2 and Ionic applications writing Sass and Typescript as part of a close knit in-house digital team. Our team solved advanced technical issues which arose from a modular multi-tenant platform. Additional responsibilities included training of other developers, streamlining our development processes and build pipelines, and improving intrabusiness relations between the the development team and the consultancy team. I was also heavily involved in generating product ideas and concepts as well as regularly providing an interface between the project manager and UI designers.

Clubhouse Studios - Contract (September 2016-November 2016)
Worked to finalise the 'my account' portal for [Byron Burger's](#) website writing Handlebars, SCSS and jQuery. Completed a fully bespoke [tumblr theme](#) fed via the rather basic tumblr API for Stella McCartney written in ES6 and SASS. Also assisted the development of a microsite for Stella McCartney wiritng VueJs to deliver an interactive questionnaire and facebook API integration to extract photos from user's tagged photos and uploaded albums.

Big Sofa - Digital Media Company *(September 2014-August 2016)*

Full time employment with broad responsibility. I worked on multiple AngularJS and Rails applications writing CoffeeScript, Haml and SCSS as well as basic Rails as part of a small agile development team. While managing and training junior members of the team I also directly managed international clients. I was heavily involved in leading and delivering a project from concept to completion for CMI Unilever. Additionally as a front-end specialist it was my responsibility to generate UI solutions and deliver interface designs to a high standard.

Big Sofa - Contract - Digital Media Company *(June 2014-September 2014)*

A three month contract working with Bootstrap, Haml, SCSS and CoffeeScript to rebuild the front-end of the [Big Sofa](#) web app based on pre-provided designs. I worked between the project technical lead and the junior development team.

Selfridges & Co - Contract - Online Department *(May 2014-June 2014)*

A three week contract placed within [Selfridges'](#) online team. I worked closely with the design team to construct markup for the online store and website. I was also tasked with the templating and testing of responsive marketing emails delivered via SmartFocus.

Yello Studio - Web and Creative Agency *(Jan 2011-September 2013)*

Worked as a key member of the [studio](#) supporting both the technical and creative directors while also handling agency clients. I worked independently and collaboratively on larger projects providing UI solutions as well as attending client meetings, managing clients and delivering training. My role covered bespoke design, front-end development and back-end development, CMS integration, email marketing and analytics.

Freelance Work *(2008-Current)*

Work for various personal clients. Full service website design, build and maintenance. I have also worked on printed media design, branding and identity. Please visit my [online portfolio](#).

Interests **Codebar** *(2015-Current)*

I coach at [codebar](#) on a weekly basis to help people improve their programming skills. This often involves instruction as well as mentoring students with personal projects.

Director of South London Touch Rugby Club *(2015-Current)*

I manage and run a social [touch rugby club](#) which meets every Saturday to play mixed touch.

Everest Base Camp *(2013)*

I completed a two week return trek to Mount Everest Base Camp in Nepal. While summiting Kalapathar we reached our highest altitude of 5643m.

Rugby Union and Rugby League Teams, Half Marathons, Tough Mudder, Snowboarding, Skiing, Scuba Diving and Squash.
